**Directors notes**

*Working with a new cast is a bit like trying a recipe for the first time, once the ingredients have been mixed all that is left is to wait and see if the final outcome produces a good result. I can, hand on heart say that over the rehearsal period the cast of "Murdered to Death," have worked hard to get this mix right.*

*I hope the cast have as successful a night, as you the audience have an enjoyable one.*

*Best wishes,  
John Hancock*
