Dear all

Mallorca is presently in lockdown with people confined to their homes for at least 15 days. (The rules are extensive and can be found on the Citizens Advice Bureau's website.) However there are exceptions - as we are allowed to go out to buy food, medication and to walk dogs but otherwise we are to stay at home. This is a necessary precaution by the government to arrest the spread of COVID19.

Yesterday I sent out readings and prayers to enable us to worship together. As a result of this I have been asked to send out daily prayers and readings to help those in home confinement. I am aware that not everyone on this 'Weekly Sheet' list would be interested as the number of unwanted emails can be cumbersome. Because of this I am including a prayer for us all today but would ask that if you would like to continue to receive these prayers in the future lockdown, that you contact me directly either via this email or by phone (0034-636659086) and I will set up a new list.

Wishing you all every blessing and stay safe

Vicky
