Virtual Pilgrimage to Santiago de Compostela
Lent 2021

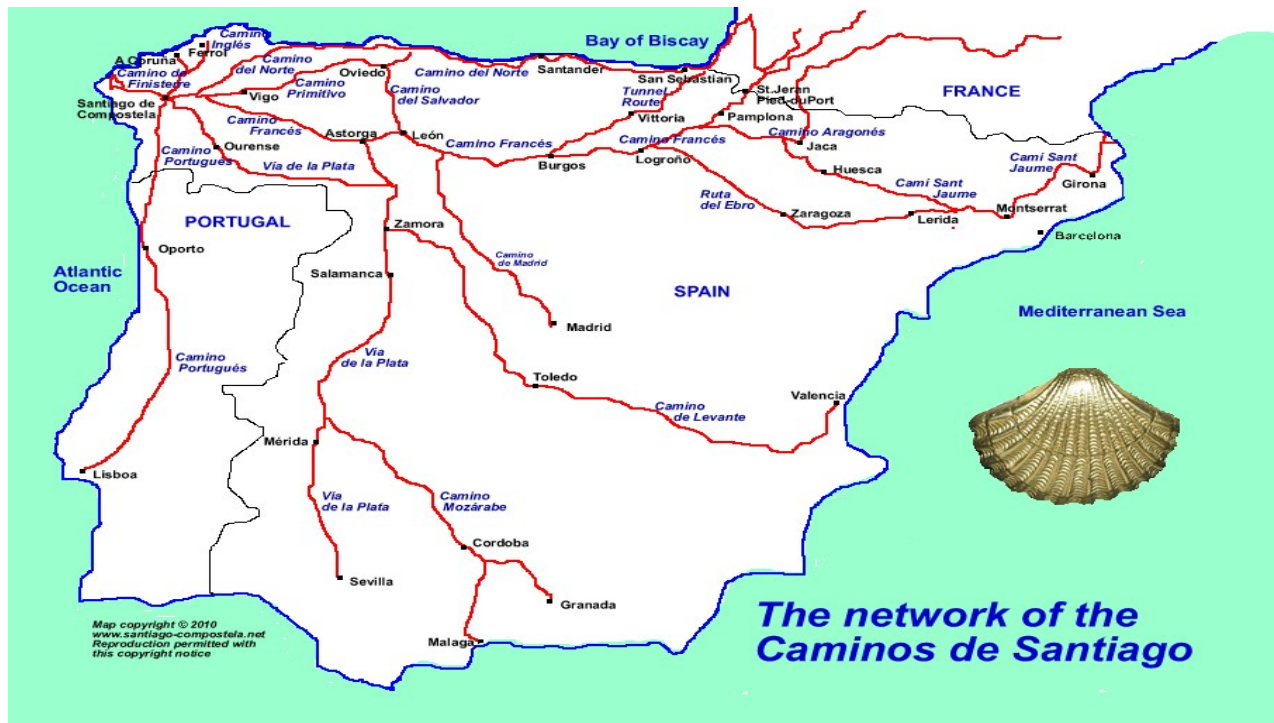

Santiago - St James – de Compostela

Santiago de Compostela is so named because it is the burial shrine of the Biblical Apostle St James, often referred to as St James the Great. The mighty Cathedral of Santiago de Compostela, which was consecrated in 1211, now stands guarding the original shrine. Since the 9th Century Pilgrims have followed what is known as the Way of St James to pray at the Shrine.

Follow the talks and history in Church as we follow the Way of St James throughout the season of Lent.
